### **Remembering Mike Beres**

Mike Beres will always be remembered as a man who loved his large family including his wife Shirley, 6 children and 15 grandchildren. A man devoted to the Lord, Mike was actively involved in the New Albany Church of The Nazarene and spent nine years, along with his wife, guiding the youth group on mission trips, camps and retreats.

Mike was actively involved in The Rotary Club of Westerville Sunrise and was devoted to his duties in the Rotary as a Charter Member and his career as CEO of Roush Sporting Goods of Westerville, giving back to and staying involved in the community for over 30 years. As the Club's Sergeant-At-Arms, he was the creator of the Happy Buck and started the tradition of using the bed pan for our raffle tickets. Mike was a great Rotarian and especially loved working with kids. As a golfer, Mike excelled at putting teams together-his group won the golf outing for years.

The Rotary Club of Westerville Sunrise celebrates Mike Beres' life and memory in this annual golf outing with all proceeds going to the Westerville Sunrise Rotary Foundation which supports youth programs.

*16<sup>th</sup> Annual Golf Outing*

## Rules:

1. Seniors who are 62 years or older as of today, play "WHITE TEES", women play "RED TEES". All men under 62 play the "BLUE TEES".
2. If you, a 2-some or a 3-some PLAY HARD: no extra shots, no substitution shots.
3. Scramble Format: each player hits their TEE SHOT, best shot is determined and then all team players proceed to hit their next shot. This is continued until you have completed the hole. You may have up to one club length to hit your shot until you get to the green but you may never "change grasses". If you are in the primary rough you must hit out of the primary rough. If you are in the secondary rough you must hit out of the secondary rough.
4. Mulligans are no longer "team mulligans". Instead, each mulligan is for one extra individual shot. You may buy up to four mulligans per person.
